## AI Freight OS | International Import and Export Pricing

Fly Logistics supports worldwide shipping from Nigeria and import delivery into Nigeria. International pricing is confirmed after commodity, declared value, customs, and carrier review.

Delivery type	Starting estimate	Service handling	Large shipment handling	Typical ETA	Notes
International import into Nigeria	From NGN 115,000 + weight	NGN 15,000	NGN 20,000	4-7 business days	Customs, duties, documents, and carrier availability apply.
International export from Nigeria	From NGN 95,000 + weight	NGN 15,000	NGN 20,000	4-6 business days	Worldwide delivery subject to destination restrictions and documentation

International rates are estimates until customs documentation, declared value, airline or carrier availability, and destination restrictions are confirmed.
